

La Comunidad – Hablando Español

Your Link to Spanish Speaking Hispanic Communities

5,200,000	Total HH Universe	\$85/M
	Quarterly Hotline	+\$11/M
	Geo/Gender	+\$11/M
	Demographic/Lifestyle	+\$16/M
	Phone Numbers	+\$25/M

La Comunidad – Hablando Español is a comprehensive database of consumers and households in the U.S., that allows you to reach the Spanish speaking Hispanic market by country of origin, language preference, recency of arrival, family composition, online connectivity, to name a few.

The Hispanic population is the fastest growing ethnic group in the U.S, with numbers rapidly reaching 45 million. Tap into this responsive, unsaturated market whose spending power already exceeds \$700 billion!

La Comunidad – Hablando Español is identifying valuable data which will enable marketers to effectively reach their target audience. Available with an abundance of selection criteria, the database boasts unparalleled data quality from sources consisting of consumer demographic, self-reported data, life events, automotive information, and transactional data.

These consumers welcome a variety of offers in their mailbox and phone, such as Spanish offers, financial, consumer products, publications, insurance, computer/Internet, retail, music, long distance services, money transfers...and more.
