**BABY TO BE: African American** offers a way to reach African American mothers and fathers who are new or expecting parents. These mothers and fathers as well as their loved ones have gone to [www.babytobee.com](http://www.babytobee.com) for their "one stop shop" of everything baby. This responsive group of parents and gift givers register and provide the baby's due date, name, address and more in return for free items and product offerings for their pre/post natal family. Children's offers, baby product coupons, parenting magazines and sample products for the infant are just a few of the items that these families are seeking.

This list is especially unique as these growing families can be targeted during key buying months, and can be followed thru infancy, as well as the ever loved toddler years. Tailor the Baby to Be list to your target audience by selecting due date, mother/father select, recency, income, age, and a variety of key lifestyle selects.

**BABY TO BE** is perfect for any of the following offers... baby products, gifts, layette, baby furniture, kids books, developmental toys, new parent and baby publications, photography, health and nutrition, educational offers, home décor and furniture, financial, credit cards, insurance, automobiles and more!
