2,625,403

Total Members
Monthly Hotline

\$100/M

Elitematch.com brings together singles that are looking for companionship but don't have time to get out and meet people. These singles pay \$9.99 a month for a membership to meet others on this online community and offer personal information that enhances his or her experience. Elitematch.com offers a variety of programs for the singles to join in such as counseling, empowerment workshops, and can even connect to a community through their cell phones.

The Elitematch.com file is a great way to reach these singles for a variety of offers including financial, dating, credit cards, travel, technology, publications, general merchandise, sports, and more!
